

Aloha and welcome!

You're about to embark on a trip that'll take you from the tropical islands of the Caribbean to the beaches of Latin America and will give you the best that Amsterdam has to offer. We'll do this by introducing you to the cocktail offerings of Tiki.

Our cocktail menu is primarily based on rums varying from the sunny island of Jamaica to the foothills of the Venezuelan Andes Region. These rums are carefully combined with fresh fruit juices, house made blends and premium mixers to create a selection of cocktails that will surely tantalise your senses.

For the non-rum lovers, we have a wide selection of cocktails based on other spirits too! No matter whether you are alone, with your date or a group of friends, our menu has you covered. If you have any requests, our bar staff will be happy to help.

Mahalo and enjoy the ride!
